DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SERVICE

Otoe Agency, Otoe, Oklahoma.

September 12, 1912.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to transmit herewith annual census of the Otoe & Missouria tribe of Indians taken June 30th, 1912.

The delay to such roll has been caused by a desire to submit same in a form as nearly correct as it is possible to do so, and it has been necessary to go thru the records of the office and write many letters to the non-residents of the tribe in an effort to learn the exact dates of birth.

As this tribe has practically dropped the custom of using their Indian names in a business way and have taken up the names given them some years ago I have deemed it of more importance to use the space provided for this purpose for that of "Date of Birth" and it will be observed that in this space the actual date of birth of every member of the tribe has been inserted, the month, day and year where possible, otherwise the year, and I believe this will be of material benefit to the records of the office.

Very respectfully,

*Ralph P. Stanton*

Supt. & Spol. Disb. Agent.
